John Martin's ambrata Belgian 5,8	3,50	5,00	10,00

BEER OF THE MONTH

AMA AMBER IPA - 33cl 5,00

Amber IPA owes its name to its bright amber color. Once tapped, it presents itself with a white, persistent foam. On the nose, we find citrus and resin, exotic fresh fruit, a gift from the dry hopping with a mix of selected hops, and finally a sweet aroma of biscuit.

The Circolino Beer

50cl. 5,00

It is a light beer produced in Bavaria according to the "Purity Law" of 1516, meaning it is produced only with water, barley malt, and hops. It belongs to the category of Helles (bottom-fermented lagers), has a light and golden color, smooth taste, a unique aroma, and a full body.
